

HINDU TEMPLE SOCIETY OF NEW MEXICO

An invitation to serve through flower seva

AN OFFERING OF LOVE

Together, let us serve our deities.

Dear temple family,

A flower offered to the Lord carries our gratitude, our prayers, and our love. It is a simple, beautiful way to place what is in our hearts at His feet.

I would love for us to share in this seva at HTSNM: offering fresh flowers at our altars each week and lovingly making rose garlands for our deities on weekends and festivals.

I am personally raising funds for this service and invite you to join me. A monthly gift, a week of flowers, or roses for a garland can become your family's offering. Every gift helps us continue this loving care.

May these offerings bring us closer to the Lord and to one another. Thank you for sharing in this seva.

Your servant,
Mathura-vas das
